Bayton help companies reduce
their cleaning costs without
compromising quality

Bayton is the ideal partner to tackle

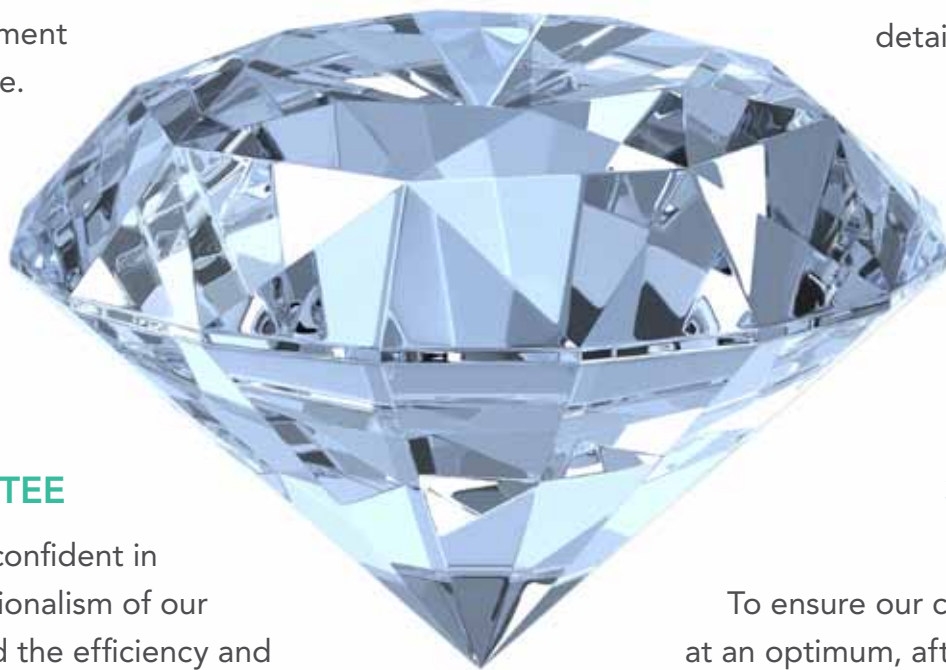

Diamond Partner

SPRING CLEAN

To demonstrate our commitment to our clients we offer up to 20 hours of detailed spring cleaning within two weeks of contract commencement at no charge.

INCH BY INCH

The Bayton Inch by Inch methodology is designed to continuously improve the presentation of your facility with our scheduled detailed cleaning system.

GUARANTEE

We are so confident in the professionalism of our people, and the efficiency and effectiveness of our systems, that we provide a written guarantee to all our new clients.

3 MONTH REVIEW

To ensure our contracts run at an optimum, after 3 months of service Bayton will conduct a comprehensive contract audit, to make recommendations on improvements.
